ADVISORY FROM FIRTAIDE

Quote

Good day to our fellow LMAs.

It has been noted that there were more than 170 crewmembers who arrived since July 12 and were not swabbed on the 7th day due to failure in passing by FirstAide booth in NAIA terminals to provide copies of their seaman's book. Furthermore, they have not registered in FirstAide e-CIF.

In order to address the delays, kindly contact your crew to make sure that they have registered and have provided the SRB. In case they haven't, please immediately advise them to do so.

For the forthcoming arrivals, please ensure that the below-described process will be followed.

Further note that in addition to the registration in FirstAide E-CIF, they also need to register in One Health Pass.

FILIPINO ASSOCIATION FOR MARINERS'EMPLOYMENT, INC.

We are hoping for your kind attention and prompt action on this matter for the timely swabbing and release of our seafarers from quarantine.

Thank you!

Good and healthy day LMAs,

This is to REMIND you that Firstaide Diagnostics will be handling the RT PCR testing of specimen for all seafarers that arrived July 12 onwards.

Below are the guidelines to FOLLOW for your crew to be INCLUDED for swabbing .

- 1) Pass by Firstaide Booth upon disembarkation of seafarers at all terminals of NAIA or at Eva Macapagal Super Terminal (EMST) at Pier 15, Port Area, Mla. to register SRB and attestation.
- 2) Fill up the eCIF found in <https://ecif.firstaide.ph/pre#/> within 24 hours from arrival with complete and correct information.

We ABSOLUTELY CANNOT serve you without the SEAMANS BOOK and ECIF.

These 2 steps are REQUIRED to avoid any delays and have our seafarers get home safely to their families.

Let us all do our share in following the procedures to avoid delays.

Thank you
